Timely lessons for all humanity

"WE ARE THE ONES WE'VE BEEN WAITING FOR"

The Hopi believe that humanity is now almost at the point of the Great Purification that will mark the end of the fourth world, represented by the third circle, and entrance into the fifth. The prophecies also say that just before the purification comes, there will be signs such as: trees dying, major climate changes, land sinking and rising, and the appearance of a blue star that is not yet visible.

A Message From

The Hopi Elders

Regarding the events of 2012

"You have been telling people
that this is the Eleventh Hour.

Now you must go back and tell the people

that this is THE HOUR.”

Here are the things that must be considered:

Where are you living?

What are you doing?

What are your relationships?

Are you in right relation?

Where is your water?

Know your garden.

It is time to speak your Truth.

Create your community.

Be good to each other.

And do not look outside yourself for the leader.

This could be a good time!

There is a river flowing now very fast.

It is so great and swift

that there are those who will be afraid.

They will try to hold on to the shore.

They will feel like they are being torn apart,

and they will suffer greatly.

Know the river has its destination.

The elders say we must let go of the shore,

push off toward the middle of

the river, keep your eyes open,

and our heads above the water.

See who is here with you and celebrate.

At this time in history,

we are to take nothing personally,
least of all ourselves!
For the moment we do,
our spiritual growth and journey comes to a halt.
The time of the lonely wolf is over.
Gather yourselves!
Banish the word "struggle" from your attitude and vocabulary.
All that we do now must be done
in a sacred manner and in celebration.
We are the ones we have been waiting for."
